## Supported Living Services

### Flathead County

Over 60 years of  
*Supporting Persons with Disabilities  
in Enhancing Their Quality of Life*

## What We Do:

Supported Living Services provide individually crafted systems of support to enable adults age 18 and older with intellectual disabilities to live as independently as possible in their community.

To be eligible for these services, you must be determined eligible through the MT Developmental Disability Program and also be enrolled in the Medicaid 0208 Waiver program or be willing to private pay for services.

## Services Include:

- Grocery Shopping
- Meal Planning & Nutrition
- Cooking & Culinary Skills
- Household Cleaning & Organization
- Home Safety
- Hygiene Prompts
- Medical & Dental Appointments
- Medication Assistance
- Transportation
- Budgeting & Money Management
- Locating Affordable & Safe Housing
- Assistance with Public Benefits
- Self-Advocacy Training
